Dear Readers,

I want to take a moment to express my heartfelt gratitude and reflect on the incredible journey we've shared together over the past years. Six years ago, I embarked on my journey as a CA student, and it was during a Student's Conference in Bhopal that I first learned about CICASA. Upon moving to Kerala in 2019, I discovered SICASA Ernakulam and was immediately drawn to its vibrant community.

Despite facing challenges in my academic pursuits, the allure of contributing to our association persisted. In 2020, amidst the global pandemic, SICASA became a source of solace and purpose for me, offering camaraderie and support during uncertain times. In March 2022, I was honored to join the committee as part of the Public Relations team. This marked the beginning of a fulfilling journey filled with new responsibilities and learning experiences. In February 2023, I took over as the Vice Chairman of SICASA Ernakulam. Over the past year, I've had the privilege of witnessing and contributing to the many accomplishments of SICASA Ernakulam. From organizing national conferences to hosting engaging events like Encore and Kickoff, each endeavor has been a testament to our collective dedication.

I'm deeply grateful to my colleagues and mentors for their unwavering support and guidance. Special thanks to CA Tonny Varghese and CA Roopesh Rajagopal for their trust and encouragement. To my fellow committee members, thank you for your dedication and hard work. Your contributions have been invaluable to our success.

As I step down from my role as Vice Chairman, I do so with optimism for the future. To my successor, Bamsil Saman, I have every confidence in your leadership abilities. In closing, I encourage each of you to continue believing in your dreams and working hard toward your goals. With perseverance, opportunities will surely come knocking.

With gratitude and warm regards,

Sreeraj Remesh
